Dy: Commissioner's Office
Bangalore District
Dated 12th March 1880.

To

The Secretary to the
Chief Commissioner
of Mysore
Revenue Department

Sir,

I have the honor to submit the Budget Estimate of the several Municipalities of the Bangalore District for the year 1880–81.

2. It will be observed that the Estimate of receipts aggregates Rs: 23,585-0-0 including the moiety of collections of Rs: 10,644 on account of Mohaturfa tax and Octroi to be made to Provincial Revenue under

the orders of the Local Government under date the 27th September last. The details are noted below:-

No.	Particulars	Estimates in 1879/80		1880/81		Moiety payable to Government after deducting Commission			Remainder to Municipalities		
		Rs	As	P	Rs	As	P	Rs	As	P	Rs	As	P
1	Mohaturfa including House tax	4015	"	"	20136	"	"	10644	"	"	10644	"	"
2	Octroi	"	"	"	2275	"	"						
3	Fines	154	"	"	209	"	"	"	"	"	209	"	"
4	Pounds	336	"	"	285	"	"	"	"	"	285	"	"
5	Miscellaneous	670	"	"	680	"	"	"	"	"	680	"	"
	Total	5175	"	"	23585	"	"	10644	"	"	11818	"	"

3. It may be mentioned here that the amount of Estimate has swelled to a large sum, chiefly owing to the addition of House tax and Mohaturfa items to the Municipal Funds.

4. I have based my Estimate with reference to the tax levied in 1878-79 in the shape of Municipal House tax and Income Mohatur

5. The item of Octroi calls for no special remark. I have entered the figures given by Amildars, and they appear to be sufficiently correct. Other items are as usual

6. The marginally noted expenditure is proposed to be incurred from the above receipts

Original Cus..... ....
Repairs..... 725-
Conservancy..... 3228
Miscellaneous..... 535-
Total..... 6238

7. The Amildar of Closepett recommends the entertainment of an Establishment for the collection of Octroi at a cost of Rs. 456 per annum for the Closepett and Cennapatam Municipalities, but I have omitted to include the same in the Budget as his Estimates of receipts under Octroi do not admit of the outlay. Moreover it has been enjoined in

No. 4824-31 / M. 234 of the marginally noted Proceedings

8th December 1879 — 8 — blishment should be

maintained for the collection of Municipal duties except in the District Head Quarter Towns. The 5 per cent Commission given to Shanbogues for the work of collection, would I think quite answer the purpose in the case of the two above said Municipalities.

8. Another additional cost is an increase of Rs. 60 per annum to the Head office charge. I take this opportunity to refer to my letter No. 528 of 12th February 1880 on the subject of the auditing of Municipal Accounts wherein the necessity for this has been fully explained. No extra expenditure is to be incurred on this account as the assignment of Rs: 16 per annum for the Municipal Clerks of the

late Mundydroog Division Office
from the Municipal Funds of this
District has ceased since the revision
9. The only other item deserving
of mention here is the cost of six
additional Scavengers and three
Rubbish Carts. A Statement shewing
the Municipalities for which the
addition has been recommended
is enclosed.

10 In conclusion, I beg to state
that the disbursements estimated
are not proportionate to the re-
-ceipts shewn, but as it is not cer-
-tain what would be the actual
receipts under recent changes the
expenditure has been calculated
on a smaller scale. If on an ex-
-perience of say some three or four
months it be

the receipts admit of further expenditure, a Supplemental Budget will be submitted.

I have the honor to be,
Sir,
Your Most Obedient Servant.

The income of the
Minor Municipalities in
the Bangalore District
consists of the money of
the Octroi Collections on
Betel-leaves, Cocoanuts
and Tobacco, and a
moiety of the House
and Moharrirka Taxes
made over to the Mu-

Municipalities

-nicipalities under the
Chief Commissioner's Proceedings
dated the 27th September 1879,
besides the receipts from
Pounds, fines and
miscellaneous items.
These place the Municipal
assets which were hitherto
quite insignificant on
a better footing. The
Dy Commr has properly
abstained from at once
raising the expenditure
to the full account of
the estimated assets.
In the estimates
submitted by him, the
Dy. Commr has given
credit to the Government
for only a moiety of
the net collections
from the Detroi and
Mohaturfa, and this
he has shewn as an
item of expenditure in
the municipal accounts.
Under the instructions
conveyed in the Proceedings

above referred to, one half of the gross collections should, as they are realized be paid over to the Provincial Revenue, and the remaining half should alone be shewn as Municipal assets - The Municipalities should bear the whole charge of collection in return for the concession made to them.

3. The expenditure consists chiefly of the cost of sweepers and carts employed for Conservancy purposes, and where there is a surplus, the construction of drains and petty repairs of roads are provided for.

The usual 1/3rd share of the charges for the Existing Dispensary

at Dowlaiswaram and for
that proposed to be
Established at Nagadi
not having been provided
for in the Deputy Comrs
Estimate, the omission
has been supplied in
this Office -

of the pay of the District
Municipal Clerk from
15 to 20 Rs in consideration
of his being Entrusted
with the audit of the
Municipal accounts
of the minor Municipalities
under the orders of the
Dy Comr is sanctioned -

6 The collection
charges are provided
at 5 %. This however
need be allowed only
in regard to the Octroi,
but there seems no
occasion for allowing
it on the House and

No. 1515-24—ML. 65, DATED 17TH JUNE 1880.

ORDER THEREON.—The income of the minor Municipalities in the Bangalore District consists of the moiety of the octroi collections on betel-leaves, cocoanuts and tobacco, and a moiety of the house and mohatarfa taxes made over to the Municipalities under the Chief Commissioner's Proceedings dated the 27th September 1879, besides the receipts from pounds, fines and miscellaneous items.
